EDUCATION

Bachelor of Science (Computer Science) / Arts

2021 – 2025

University of New South Wales

- WAM: 77.6
- Majors: Security Engineering, Sociology and Anthropology
- Finalist in 2023 DigiSoc x Atlassian: Product Hackathon

Higher School Certificate (HSC)

2015 – 2020

Macarthur Girls High School

- ATAR: 96.2

PROFESSIONAL EXPERIENCE

Frontend Engineer

Jan 2026 – Present

Frontend Engineering Intern

Oct 2025 – Dec 2025

Eventsia

- Built and maintained customer-facing web and mobile interfaces for an early-stage event platform **processing \$800k+ in ticket sales and vendor payments** (TypeScript, React, Tailwind CSS).
- Moderated usability sessions with 8 vendors to compare 2 Figma prototypes against the existing payment flow, implemented the best-performing design and **cut payment-related complaints from ~20/month to near zero**.
- Analysed PostHog data to identify account creation as the primary drop-off during ticket checkout; implemented guest checkout, **cutting the funnel from 5 to 4 steps and lifting completion ~15%**.
- Designed and developed a drag-and-drop form builder for event organisers, enabling them to create custom vendor forms with integrated payment collection; **adopted by 13 organisers across 600+ vendor submissions**.

Manufacturing Operator (Electronic Assembler)

Apr 2024 – Oct 2024

Cochlear

- Qualified across 5 microassembly workstations within 1 month, half the typical 2-month training period, enabling independent operation while sustaining a **daily output of ~200 implants**.

Teacher Aide

Jan 2023 – Jun 2023

Parramatta West Public School

- Designed and implemented customised support programs with teachers and school psychologists, **improving engagement across 2 classes** and tailoring support to the individual needs of Stage 3 Indigenous students.

EXTRACURRICULAR ACTIVITIES

Volunteer

Mar 2026

Share the Dignity

- Sorted and organised donated menstrual hygiene products during the Dignity Drive, preparing essential supplies for distribution to people experiencing period poverty.

CSESoc Careers' Subcommittee Member

Mar 2023 – Nov 2023

University of New South Wales

- Liaised with sponsors and designed the Industry Mentoring Program, drafting outreach materials and run sheets to connect students with industry professionals and boost participation in professional development events.

RELEVANT SKILLS

- **Design & Product:** Figma, Wireframing & Prototyping, User Interviews, Usability Testing, Funnel Analysis, Journey Mapping, Heuristic Evaluation, Accessibility
- **Technical Skills:** TypeScript, React, Next.js, Java, HTML/CSS, Tailwind CSS, Git, GitHub, Jira
